REACTOR

Reactor's *GRAVITON* sets the standard for tide watches with tide chart accuracy for 275 world-wide locations, and a unique dual-mode LCD that can be turned off for an analog watch look. \$275 with a PU band, \$300 with stainless.

STICKY BUMPS

STICKY BUMPS INTRODUCES THE FISH PAD.

This pad is WIDE. The width measures 14" in its compressed, "not spread out" state. It also has a deep V-tail so you can get pad placement back over fins. 26mm kick tail with a 7mm center arch. Perfect for fish and fun boards. MSRP \$35, available now! Wax .Research Inc. Phone: 760.607.0850. fax: 760.607.0860, StickyBumps.com.

VASA

Avoid dry rot! Landlocked? Flat spell? Surf Trip? Stay fit for paddling with the Vasa Ergometer—secret weapon of World Champions. Fanwheel resistance feels like paddling your board. Build paddling power & be ready to surf all day. Accurate monitor displays your workout. 40+ exercises for total fitness & rehab. Kayak/Canoe adapter available. Info: VasaTrainer.com or 1.800.488.VASA.

SURFBALL

Hone your surfing skills to a razor edge! The *SURFBALL* balance training device combines balance, agility, strength, toning, and surfing exercise into one compact, rugged package. SurfBall.net, 808.268.3381.
